Varsity And Junior Varsity Basketball

With a new head coach, Steve Keller, and an inexperienced group of seniors, the Bengals set out to live up to HHS's state champ status set in '84. The varsity matured quickly, and gave Helena a nearly perfect 24-1 season, a season without a home loss. After a 22 game winning streak, good enough to capture HHS its first Eastern AA Division championship title, the fairytale came to an end against Missoula Sentinel in the second round of State action. With their worst shooting percentage of the year (17 for 77) Sentinel took advantage of the struggling defending-Champs and grabbed a victory in the closing seconds. The Bengal ladies came back the next morning to qualify for the 3rd and 4th place match, which they would later defeat Columbia Falls for a third place trophy. Even though they placed third, the Bengals closed out the season with the best record in the AA, a small consolation for a team that gave their all to winning.

The '85 junior varsity was a young team. The girls started the season with a strong 6-7, but later faultered to lose 7 in a row. However, they did bounce back and finished full steam by winning the final four games. The last game against Capital High was highlight. HHS defeated them and upped CHS's losing record to 4. The team s biggest asset was their ability to function as a unit. According to Coach Nachtsheim the best lesson for them was learning that one or two people could not carry the team. "We needed all twelve players contributing to have any success," he said. The ladies will be back next fall as a strong contender in the AA varsity league.

Sophomores Improve; Freshman Begin

The sophomore Bengals finished the season with a fine season with a 13-4 record. The Bengals defeated every team they faced at least once with the exception of only one team. The highlight of the season was the defeat of the 10-0 Great Falls Bison when Dana Sexton stole a pass and raced the length of the court to score a driving layup, icing the victory. According to Coach Schmitt, the strength of the sophomore girls was their outstanding full-court defense, their rebounding, and their extraordinary teamwork. "Each member of the team can look forward to success in the Bengal tradition," said Schmitt, "if they dedicate themselves to working together in the off-season."

Frosh basketball experienced its largest turnout in the history of the girls' program at HHS. Twenty-four girls were selected from a turnout of of about forty-five young athletes. Mrs. Mary Schroder coached the Red team, and Mr. Jim Gross directed the White. According to Gross, both teams showed tremendous improvement during the year. The Red finished with an 8-4 record and the Whites with a 11-2 record. The teams split against each other during regular season play. "This group of young ladies," said Gross, "is academically talented as well as athletically gifted. Things should improve at Helena High as these young Bengals mature."

Varsity Football

The 1985 season was one of the best in HHS's history, tying the best-ever record of 7-2. Head Coach Bill Sprinkle attributed the Bengals' success to senior leadership, consistent playing, and the super efforts of both coaches and players.

Helena High stunned the crosstown rivals, the Bruins, with a heart-stopping 21-20 victory in overtime. Thanks to the soccer-style expertise of senior place kicker Ken Leaf, the Bengals eked by with the extra point that Capital High failed to complete.

The Bengals placed eleven players to All-State and All-Conference teams, including senior stand-outs Mike Burke, Shawn Clark, and Jon Troglia.

SOPHOMORES

"If you have class, you don't need much of anything else." That was the sophomore motto for the fall season. The team was a very business-like squad: hit, score, win. Coach Darnon Schlenshe called the defensive signals for the Bengals 4 shutout games. Outstanding defense was turned in by Bob Guptill, Darren Lewis and Tom Streets. Offensively, the Bengals averaged 31,5 points per game. Bob Ronan and Yarrow Kraner were praised by the coaches for their outstanding individual talents on the line. Said one coach, "Look for this squad to be in the play offs their junior and senior years."

COACHING STAFF: (Standing) Curtis Jones, David Fine, Steve Ahmann, Marty Klocker, Damon Schlenske, Larry Newell. (Sitting) Bill Sprinkle, Gary Johnson.

Frosh Football

The Helena High Freshman Football team had a very successful season, compiling a 6-1 record. The single loss was to Butte West, a team that the Bengals would later defeat in a rematch. Butte East was another nemisis of the cats, being a constant dominator on the field. HHS proves themselves be conquering East. Helena High also trounced the Capital High Freshman. Said Coach LeBrun of his underclassmen. "An outstanding aspect of this group was that there wasn't anyone that quit once the season started."

Cross Country

The 85 cross country season was indeed an exciting experience for the Bengal runners. The most prominent issue was that of the strong freshmen turnout, including two who made varsity positions. Craig Kockler and Chris Colberg-McCabe kept up with the best. Brink Kuchenbrod, top runner and four-year letterman, put a mark in the Bengal record books for being the only Bengal EVER to place in the top 20 at State four years in a row. Chad Anderson, sophomore, proved consistent throughout the year and was a strong second runner at State. The team hopes to improve this year's outstanding 44-3 season even with the loss of Kuchenbrod to garduation. Head coach Bill Gilbert commented, "This year's team was the largest and hardest working I've ever had, and one of the youngest. Next year looks very bright." The newly elected tri-captains will be Cory Hill, Charlie Beaton, and Chris Mougeot.

In summing up the girls' season, Coach Gigi Moy had this to say; "I must first say that the girls on this team worked harder than any other team I have coached. All of the girls pushed each other in practice in order to make the varsity team, and worked together as a team in order to win each meet. This competitive unity is what made this team GREAT!!" Out of the six meets during the year, the Bengal girls won 5, beating the second place teams from five points to 34 points. The only loss was suffered prior to the State meet in which the the Bengals placed second by only one point. Dina Brookie broke the senior class record and the city record by two seconds. Lori Lanning broke Kelly Redfield's new record by another 38 seconds for sophomores. Jeannie Bethiaume broke the new city record set by Brookie by an additional 14 seconds and beat the freshman record by 63 seconds. The team placed third at the State meet. Amy Shewman, senior, served as team captain. Carrie Davis, senior, was awarded the team's MOST INSPIRATIONAL.

Varsity

Boys' basketball at Helena showed a definite improvement this past season. While only winning nine of twenty-one, the Bengals showed steady improvement and were playing their best basketball at tournament time. Led by veterans Brian Schweyen, Brian Mullholland, and Mike Spotorno, the Bengals were tough at the end. The offensive power was quite apparent. The biggest weakness lay on the defensive end of the court, especially in defending the post. Mr. Gross felt good about the overall improvement despite being disappointed in not making a state tournament appearance. But with a good JV program, the Bengals will be trying for improvement in the year to come.

Bengal Record: 9 Wins/12 Losses

The Bengal JV boy's basketball team had a very successful season. They won 14 games and suffered only four losses. The Cats scored 1077 total points against their opponents. Averaging 60 points per game against the opposition, the Bengals managed a 50% record on the free-throw line. Clay Moose's summarization of the season was this: "The season was one of ups and downs. Mostly ups though. It was a good season for everybody all around. Our 14-4 is the best record an HHS JV team has had in a long time. The Basketball program is again back on the winning track. I predict that Helena High will return to the top of the league in the near future." Jeremy Lewis added, "It was a Bengal effort all around."

Frosh Red Basketball

The Red team started slow with a few injuries and illnesses, preventing the formation of a cohesive unit. With everyone getting a lot of playing time, the Reds developed into a "good defensive team," said Coach Doug LeBrun. The Reds wound up the year with an 8-5 record. LeBrun admitted that if all the members from the Red and White squads turned out for sophomore tryouts, "it will be very difficult to pick 12 or so players out because all have progressed so tremendously."

Frosh White Basketball

The freshman white basketball team ended the 1985-86 season with a 4-10 record. Although the final record wasn't outstanding, all eleven boys played their hearts out every game.

Highlites of the year were the super wins over our other freshman red team and a big victory over the Capital gold team. Much improvement was made over the year in playing team basketball, running the offense, rebounding, and free throw shooting.

Several of the boys will surely be fighting for varsity positions in the future, and Bengal basketball can be proud of the efforts the white team gave on the hardwood this year.

Wrestling

"Our season began with high hopes for a successful year, both as a team and for several individuals," said Head Coach Dave Miller. "Our team success was hurt by several injuries and an inordinate amount of sickness." The Bengal matmen ended up with a season of 4-6 in dual meet and a respectable 6th place finish at State.

Senior Bryan Simpson completed an outstanding perfect season (29-0) and grabbed the 155 pound State Championship. Albert Olsen, junior, also took home a first place finish from State and completed the year with a 28-2 record. Brad Bruno, senior, gave HHS a 3rd place finish at State for the 119 lb. class. Bruno, a four year letterman, finished his highschool wrestling career as the winningest Bengal in history, 89 overall. Sophomore Shawn Eppe completed his season with a 4th place showing in the 132 lb. class.

Coach Miller praised his varsity very highly, giving special mention to Sam Bogard, Yarrow Kramer, Scott Lewis, and Kurt Ursich, sophomores, Tyson Pallister, Ken Jacques, Albert Olsen, and Rich Henry, juniors, and also the small but talented group of freshman. "I am pleased by the competitive group of junior varsity performers," said Miller. "The outlook for Bengal wrestling is very bright." Miller was also appreciative of his staff and the HHS fans

Swim Team

The boys and girls swim team compete in the same season. This year, the Bengals participated in 4 duals, 3 invitationals, and for those who qualified for State, the final meet was in Great Falls. The efforts of seniors Angela Denda, Anne Scott and Nate Adams lead the underclassmen.

The boys won two exciting meets against Butte and Billings Skyview. Juniors Matt Strizich, and Kevin Heffernan and John Gilbertson contributed winning times in both these meets. They were assisted by Nate Adams, Troy Barbour, Jason Colberg, Jack Mayes, and C.B. Hill.

The girls' team was paced by sophomore Chanda Driscoll. The girls captured a victory in the meet against Billings Skyview, but were overpowered by experienced swimmers in the remainder of the dual meets. Four year veteran Ann Scott was an essential part of the team's backbone. Other contributors were Anne Blanche Adams, Lisa Cannon, Angela Denda, Wendy Trueman, Lara Maughan, Marla Burnham, Paula Ryan and Michelle Porter.

Chanda Driscoll delighted Coach Ann Gilbert with a first place finish in the state meet. This was Gilbert's first first-place finish in her five year coaching career. Chanda won the 100 backstroke and placed 6th in the 500 freestyle. Other state qualifiers were Matt Strizich, Kevin Hefferman, Jason Colberg, Troy Barbour, and John Gilbertson. The female qualifiers were Angela Denda, Ann Scott, and Anne Blanche Adams.

Gymnastics

This year's girls team had a first day turnout of 34. The list included 3 seniors, 7 juniors, 10 sophomores, and 14 freshman. The team was led by returning letter winners Theresa Downs, Krysty Bolin, Judy Twichel, K. C. Flaherty, and Kelli McMaster. Along with this list were many other returners who were lost throughout the season due to injuries. Tina Barrett, Colette Sicotte, and Deana Nading all suffered injuries. But according to the coaching staff, the season was still very successful. During the conpulsary season, the Bengals accrued a 3-1 record. The optional season was also plagued by injury, but the Bengals pulled through with a winning attitude.

State proved to be an exciting meet with the Bengal girls finishing 3rd. The finish was led by sophomore K. C. Flaherty who finished second on the uneven bars and 9th on the balance beam. Junior Krysty Bolin took 7th in All-Around, with a 9th place finish on the floor exercise. The state also included freshmen Lonnie Ball, Callie Fromm, and Michlle Tusler, sophomores Kelli McMaster, juniors Cindy Garvin and Judy Twichel, and senior Theresa Downs. The squad was coached by Miss Linda Lyons with the assistance of Mrs. Laune Fagan, and Miss Jeri Predmore.

As for the boys, coming off the 84-85 season in second place, plus losing four top varsity seniors, the team knew that it had its work cut out for them. Also this season, the Bengal boys had to learn the new compulsary exercises, which added to the initial problems. Throughout the year, each of the three returning lettermen from the 84-85 season, Dan Dean, Tim Fromm, and Greg Smith, had exceptional meets. But the three never hit it all at the same time until the weekend of the State meet at Helena High. Through three meets, Dan, Tim, and Greg pulled together and made everything click for the team. Matt Wislon, Alex Johnson, and Paul Wanders also gave their best to the Bengal effort. The end of the year brought forth a fourth place finish at state from only a squad of five members. All six will return next year.

Varsity Volleyball

"Bengals never quit" was a fitting quote for the HHS Volleyball team. With one starter returning from last year's team, the players had their work cut out for them to develop into a competitive varsity team.

Inspired by the senior co-captains Stephanie Moore, Kari Kockler, Rachael Pratt, and Anne Robertson, the Bengal spikers overcame a slow start in conference action and finished the regular season with an 8-4 record, 16-5 overall. With steady play from the co-captains and senior players Lorie Beaver and Jami Fitzgerald, the team entered the divisional tournament with a third place seeding. The ladies took first place in the Eastern AA by defeating Butte. This upped the record to 20-5 overall.

In the State tournament, the Bengals fell short after two victories. After downing the Libby Loggers and the Billings Senior Broncs, Missoula Sentinel squeaked by with 15-17 and 12-15 matches. Helena then upset Missoula Hellgate and advanced to the championship round against Sentinel, again. Helena once again fell short after splitting the first two matches. Sentinel dominated with a final 15-13 score. HHS grabbed the Eastern AA its first ever 2nd place award, the highest trophy since State tournaments were held. In volleyball history, the Bengals ended the tradition of Missoula domination of the first and second place finishes.

Post-season awards were given to Kari Kockler, 1st team All-Conference, and to Anne Robertson, 2nd team All-Conference. Fitzgerald, Moore, Pratt, and Beaver received Honorable Mentions in the division. Robertson and Kockler also received 2nd and 1st team All-State awards, respectively.

Junior Varsity Volleyball

HHS JV spikers finished with an 8-5 overall record despite a season plagued with the flu-bug. After alterations in line-up and plays, leaders such as Mollie Wells, Geneva Wolcott, and Julie Lopach appeared. Wells paced the team with 21 ace serves, followed closely by Wolcott with 19. Lopach spiked 30 kills, Wells 23, and Tina Moore 21. Wells led in assists with 49 with Geneva Wolcott eight behind at 41.

HHS's Bengalettes are more than just a drill team. They play an important role in keeping Bengal spirit up. Every school morning at 6:30 they prepare their routines for halftime shows. Routine styles include drill, jazz, baton, and pom-pom. Try-outs are held every spring and coordinators are elected for the upcoming year. For the 1985-86 year coordinators are seniors Sara Morrison and Rhonda Van Diest and junior Chris Quickenden. The coordinators create the routines, select the music, and direct the practices. Something new for the 85-86 year was participating in a state-wide drill team competition. Some girls plan to attend drill team camp this summer hoping to make 86-87 the best year yet!

Speech Team

Helena High's speech team owes much of its success to the four Carroll College interns and new assistant debate coach who worked with team members this year. Kevin Twoky, the director of the forensics program at Carroll, cooperated with Capital and Helena High Schools to put on a speech clinic early last fall. That started the enthusiasm. In all, the Helena squad competed in seven tournaments during the 1985-86 season; a total of thirty-two Helena High students participated in the competitive part of co-curricular speech.

"We placed at three tournaments in the top 6 or 7 AA teams, "Stiff reported. "That's a good record for a team that's young and just now gaining its experience." That youth means strength in future competition; next year twenty of the twenty-three letter receipients will be returning to compete as "speechies" from Helena High. "We're building, and the quality of the kids I've worked with this year is encouraging."

The annual end of-the-season speech banquet drew over eighty people to the Colonial Inn for special highlights that included awards for several team members. Shelly Verwolf, Kelley Grimes, Audrey Shewman, and Lisa Gatzemeier received recognition for accomplishment in debate. Laura Ferguson and Jenny Gibson both sophomores, shared the Most Inspirational Team Member Award. Jeff Williamson's strong performance in three different events during the season earned him the Consistent Excellence Award, and Kim Smith a senior and a co-captain, received the Most Improved Speaker Award.

There are five events in drama competition: Humerous Solo, Serious Solo, Humerous Duo, Serious Duo, and Pantomime. The Helena High team always places well, winning second place at the State meet for the past three years.

This years State winners were:
Humerous Solo: Kelly McCue 2nd, Adam Houghton 3rd
Serious Solo: Nichole Wolcott 4th, Jenny McGee 5th

Student Council

The Helena High Student Council, a group of fifty elected representatives and officers, spent the '85-'86 year trying to make HHS a better place to be. Executive officers Tiffany Shew (pres), Theresa Downs (v.p.), Judy Twichel (sect), and Amy Budke (treas) led the troops through meetings and activities. Among the highlights of the year were Homecoming, Camfel, the Holly Hop, assemblies, Sweetheart Dance, and input for Cherish Life. The council raised money by selling candy in the fall. Some select members attended conventions including the Canadian International Convention, Montana Association of Student Councils Convention in Miles City, and the District III Conference in Butte.

Spanish Club

Pres.: Christy Jacobs
V.P.: Amy Budke
Sec./Treas.: Julie Jackson

Spanish Club has been busy this year trying to strengthen the club by getting new membership. We have succeeded and have had a good year. One of the priorties this year was to raise money to help fund students who are interested in attending the MALT Foreign Language Camp in August. We raised some money but hope to raise more in the years to come. Spanish Club is also instituting a pen-friend system in which each of the members writes to a different school in some other state in the U.S.

Band

The Helena High Bands are very active under the direction ol Mr. Norm Brunken. Concert Band consists mostly of freshman who perform concerts and other events during the year. Freshman may also participate in Pep Band, open to all band students which supports a limited number of athletic events. The Pep Band meets 2 days a week during early period. Mr. Brunken also directs the jazz band, which performs at a number of events including concerts, dances and festivals. The Symphonic Band at Helena High performs at football games, concerts, invitational and District music festivals, and goes on an occasional trip to perform at events outside of Helena.

Youth Alive

Youth Alive is a non-denominational club for Christian teens. Approximately 25-30 students a week participate in club activities, with the greatest number of people involved when the Lowell Lundstrom band members came in to town. The club's main goal is to talk about and offer Biblical answers to the questions facing teens today. Youth Alive sponsors quest speakers, watch videos, and discuss the problems and issues of the day. They have a lot of fun and everybody is welcome to join!

The OEA club has been very active this year. V. Close, K. Kennedy, and C. Wolfe planned a breakfast installation of officers with Supt. Roger Eble, who was a guest in September of 1985. The 27 members sold over $3,000 worth of Perry County pizzas to raise funds to send the club to the State Convention in Helena and to the National Conference in Columbus, Ohio. Other activities included securing the help of Bryant School students to provide Shodaire Hospital with toys at Christmas. OEA members also arranged competition among business students to gather over six boxes of food for the Salvation Army at Christmas.

This year SADD held their first funraisers. They sold suckers and held a raffle for Helena High souvenirs such as a duffle bag, hat, socks, and banners. Sarah and Tiffany also traveled to Great Falls earlier in the school year to listen to an enlightening speech by Robert Anastas, founder off SADD. Long range plans include organizing SADD programs in both middle schools and becoming a community based program so that Capital High students have a chance to join.

The Vocational Industrial Clubs of America, or VICA, is a club dealing with the vocational arts such as drafting, electronics, automechanics, and welding. There are many clubs throughout the state which meet in Havre in the spring for the Montana skill olympics. These olympics allow students from throughout the state to compare their vocational skills with other students. In order to travel to these olympics, the club is active throughout the year raising money.

Thespians

Pres.: Kelly McCue
V.P.: Victor Seastone
Thespian board: Teel Pallister, Jenny McGee, Karla Rassmussen, and DeAnne Kemp

The Helena High Thespian Troupe is a troupe that recognizes outstanding work in the theater. To become a Thespian you must undertake 100 hours of drama-related work. The Thespians attend drama meets and Thespian conventions, as well as work on various other projects including SHOWTIME and a possible scholarship program in the spring.

Latin Club

Latin Club's main purpose is to promote interest in the Roman culture and to have fun. We participate in Lupericalic, a holiday similar to Mardi Gras, and hold a toga party in the spring with Capital High's Latin Club. "Semper ubi sub ubi" is our motto.

Science Club

President: Kevin Torske
Vice President: Kriste Vollmer
Secretary: Angela Ibara
Treasurer: Mark Hutchinson

Science Club members are the future scientists of America. To raise money, avid science clubbers sell concessions at games, which quite frankly, is a booming business. The money is used to send members on science related trips. The club also has fun activities and small fild trips of scientific interest throughout the year.

Key Club

The Key Club is a Helena High service club sponsored by the Kiwanis. This past year the club kept busy by ushering for the Helena Series, visiting Western Care Nursing Home, and sponsoring a Read-a-thon and a Super Dance. The club improved a lot this year because it gained many new, active members.

3-7-77's

Pres.: Peggy Sharp
Sec.: Brian Schweyen
Historians: Lauri Brunken
Advisors: Mrs. Erickson and Mrs. Blouke

The 3-7-77's is an honorary service organization which ushers for concerts and graduation. This year, the group kept busy ushering for band and choral concerts, parents' nights, and graduation. They usually ended their activities with parties or potlucks.

Starlighters

The Helena High Starlighters is an organization of motivated singers combining talents to bring more music to our community. The group is a select choir, chosen by audition. The music performed is a combination of secular and sacred songs, musicals and popular music. They have several trips during the spring, and numerous concerts during the Christmas season. Best of all, Starlighters is fun; a place to make friends; and to learn and sing beautiful music. Our thanks to Ray Champlin, our teacher and advisor.

Philharmonic

This year the Philharmonic choir, studied classical, religious and musical pieces which performed at various concerts during the year. In addition to their annual fall, winter and spring concerts, they participated in both District and State Music Festivals and received a superior rating of their performances.

In May, they were invited to the Capital to sing for the Veterans of Foreign Wars Celebration. There they sang "The Battle Hymn of the Republic" and "America the Beautiful" in rememberance of the Veteran honorable Service to America.

They were requested to sing at the Opening Ceremonies for the Special Olympics.

This enthusiastic group has enjoyed being actively involved in community projects throughout the year, and have found it to be very rewarding experience.

National Honor Society

The Helena High School Chapter of National Honor Society is an honorary organization whose members are recruited on the basis of scholarship, character, service, and leadership. Throughout the academic year, members are involved in service projects for school and community. Through chapter service activities, members demonstrate the qualities that won them selection to National Honor Society.

The Gravity Conservation Club

The Gravity Conservation Club of America (GCCA) is the Brain child of Daniel Guggenheim. He felt that America was wasting entirely too much gravity (not just fossil fuels; besides, most everybody has bought fuel-efficient foreign cars so nobody is yelling and screaming that we'll run out of gas by 2000. Now everybody is yelling and screaming that no one is buying U.S. automobiles). The club spread fast through Helena High, and many events were organized. Gravity Conservation Day, an event which was surrounded by a great deal of controversy, was cancelled due to lack of interest by cynical members of both the faculty and the student body. The event, which was later considered a national holiday by the President, entailed all students sitting on the floor in an effort to get closer to good old Mutha Earth, thus saving precious gravity. The club also took stands on moral issues. In the areas of sports and leisure, the club members participated in sky diving, Accopulco cliff diving, and downhill skiing. However, the club openly expressed contempt for mountain climbing, pole-vaulting and vertical bowling. In politics, the club protested with a passion against Reagan's "Star Wars" program since it requires the gravity consuming launches of satellites.

Henry Bagler, well-known international soccer player and shop instructor, instantly saw the wisdom of the club and quickly volunteered as teacher-sponsor. With so many activities planned for the future, it was decided that the club should become official, so a group of delegates from the club were sent to discuss this prospect with the administration. The administrators, however, refused to give the club official recognition because it supposedly had no purpose!! Gravity Conservation was not good enough for them; they needed some other purpose (H-Club?)!! They'll be sorry when their kids run out of gravity and begin to float into outer space!! Then they'll wish they had listened to us, the Gravity Conservation Club of America!!!

"You know, I have a strong feeling that this wonderful, wonderful quality of humanness, with all of its wonder, is God's gift to you. And what you do with it is your gift to God. Don't satisfy yourself with anything less than offering God the perfect gift that you are. And have a blast doing it. Thank you." - Leo Buscaglia

IN MEMORY OF THE CREW OF THE SPACE SHUTTLE MISSION 51-L

"I believe that there are moments in history when challenges occur of such a compelling nature that to miss them is miss the whole meaning of an epoch. Space is such a challenge. It is the kind of challenge William Shakespeare sensed nearly 400 years ago when he wrote:

There is a tide in the affairs of men,
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat,
And we must take the current when it serves
Or lose our ventures.

We risk great peril if we kill off this spirit of adventure, for we cannot predict how and in what seemingly unrelated fields it will manifest itself. A nation which loses its forward thrust is in danger, and one of the most effective ways to retain that thrust is to keep exploring possibilities. The sense of exploration is intimately bound up with human resolve, and for a nation to believe that it is still committed to forward motion is to ensure its continuance."

O.B.A. (Old Boys Basketball Association)

Every Wednesday night from October through March at the Helena High gym, a small, determined band of old jocks get together on church night (they ought to be in church instead) to try to recapture a few fading moments from their illustrious pasts. (Simply remembering would be sufficient and far less painful). Here among the long-cherished smells of sweat and old socks, these geriatric gladiators futilely attempted to leap high, cut fast, find the hole, and play defense. They usually succeed in tripping over the free throw lines, thinking about cutting, looking for, but never really finding the hole, and either waving at their man as he drives for the basket or committing battery on him from behind in lieu of the more conventional chess-to-chess brand of defense.

But through it all they laugh and curse, lie and joke, pant and wheeze for nearly two hours, recharging their athletic batteries and cleansing their souls, the better to stand the rigors of teaching another day. O.B.A. might best stand for "Old But Active." Let's hear it for the O.B.A.

Girls Softball

The girls softball season was a trying one. When the team was selected in March, hopes for a good season were very strong. The team has a lot of talent, though we lacked depth in many positions. That talent was difficult to bring together until the end of the season when we won our last four games by the 10 run hole. The regular season ended with a 4-11 record going into the state tournament. The team progressed rapidly through the season, which was the first season ever for girls softball. The brightest aspect about this team is that we have no seniors, and only two juniors. We will be looking forward to the next couple of years.

Helena High Boys Track Team

Bengals! Bengals! Bengals!

The 1985-86 boys track team was a young, inexperienced group to be anchored by several outstanding seniors and several veteran underclassmen. Injuries, however, ruined ace distance runner Brink Kuchenbrod's season before it started and injuries ended top sprinter Jon Troglia's season at the Divisional Track Meet. Only senior Brian Schweyen survived the injury jinx and he did so with a vengeance. Brian shattered the school pole vault record by a foot and a half and went undefeated in the event through the Divisional meet. He became only the third Montana high school vaulter to surpass the 15' mark and is the heavy favorite to win the State Title and break the State record. The record is 15'2 and a half inches and Brian has gone 15'3 and a half inches already. He also broke the school high jump record with a jump of 6'10" which is only a half inch below the State record in that event.

Besides the above mentioned seniors others who figured heavy in scoring points for this year's Bengal team were seniors Mike Burk, Josh Liston, Shawn Clark, Bill Whitney, and Brian Gerke. Juniors were Jeff Moore, Charlie Beaton, Spiro Mack, Mike Pouliot, and Russ LaVigne. Sophomores were Todd Foster, Chad Anderson, Scott Lewis, Britt Fred, and Chad Koon, Kurt Ursich, and Bob Guptill. Freshmen were Cole Wilson, Chris McCabe, Craig Kockler, Chris Marcille, Mike Bailly, and Pat Lovely. With so many young athletes, the track future looks bright.

First row L to R: Charlie Beaton, Brink Kuchenbrod, Eric Johnson, Wally Stanghill, Yarrow Kraner, Bob Guptill, Brad Moe, Chad Anderson, Drew Ahmann, Courtney Jones, Sam Richardson. Second row L to R: Jerry Chambers, Chris Mouguet, Chris Sanderson, Jon Hyatt, Dan O'leary, Pat Flynn, Erik Heidle, Steve Wetzel, Troy Vollertsen, Ken Curtiss, Rodger Cox, Spiro Mack. Third row L to R: Erik Olson, Josh Liston, Brian Gerke, Todd Foster, Bob Ronan, Jim Duke, Shawn Clark, Jeff Moore, Mike Pouliot, Brian Schweyn, Bill Whitney, Cole Stalnaker. Fourth row L to R: Brad Fasbender, Chad Koon, Britt Fred, Chris Baril, Brent Meyeres, Jon Troglia, Mike Burk, Scott Lewis, Russ Lavigne, Bill Watson, Matt Medley, Victor Vincent.

Soccer

Despite the constant drizzle of rain, a few hearty fans were on the sidelines watching the excitement of world cup soccer. Yes, the Helena V-19 soccer team was on the field again, battling for the glory of Helena. Unfortunately, the team fell short of glory into obscurity by placing third in the state tournament. The team battled back, however, to place third yet again in the missoula tournament.

The 1986 crew broke all records set by last year's team. Last year's season total of six goals was smashed in the first two games against Billings, where ten goals were scored. The win/loss ratio also increased dramatically. All in all, Helena soccer has improved greatly. The team leaves to play their summer games, and hopes to secure a summer tournament trophy. With more involvement, Helena soccer hopes to become a school sponsored sport.

But where was I to start? The world is so vast, I shall start with the country I know best, my own. But my country is so very large. I had better start with my town. That too, is large. I had best start with my street. No: my home. No: my family. Never mind, I shall start with myself.
